

## Welcome to Pet Doors Australia!

We are Melbourne's leading Pet Door installation specialists.

We have been specialising in the supply and installation of pet doors since 1992.

In that time we have installed over 22,000 pet doors. We are not a pet supplies shop.

We provide expert installation to:

- Timber doors
- Glass doors and windows
- Weatherboard
- Brick (both veneer and double)
- Security doors

We also make to order for any size glass door and any size pet.

We custom make doors for challenging breeds that are tall or short - especially for Dachshunds, Greyhounds, Hungarian Visla and Whippet.

## PET DOORS AUSTRALIA

- GLASS • WOOD • BRICK
- SECURITY DOORS

## Circular PDA

Our circular doors are available in 4 sizes, from medium to super large.

## Perspex Special - Glass Replacement

In instances where you have been told your pane of glass is too small to fit a pet door or you think your pane of glass is too small we have a solution!

A made to order perspex panel by Pet Doors Australia that replaces one pane of glass and comes with a built in flap to accommodate the size of your pet.

Designed for small glass windows, especially in glass doors, that avoids the need to remove several panes of glass to fit a traditional pet door.

## Rectangular PDAGF with Barrel Bolts

Available in sizes from small to extra large.

We also offer customise size for specific breed such as Whippets, Hungarian Visla and Greyhounds. These doors are also suitable for double glazed panels.

## Rectangular PDAGF with Locking Panel

Available with either separate opaque white locking panel in sizes from small to extra large.

We also offer customise size for specific breed such as Whippets, Hungarian Visla and Greyhounds. These doors are also suitable for double glazed panels.
